6. ASTC Arts and Cultural Policy and Plan (Item 10.4.1)

Leon Tripp met with Council Solicitor to discuss legal parameters regarding copyright acknowledgement, following the enquiry raised by Ben Fox about copyright of images in the ASTC Arts and Cultural Policy and Plan.

An information sheet for the Australian Copyright Council that explains ownership of copyright has been circulated to members. An extract on page 5 of the information sheet reads:

*'How do I avoid having disputes about ownership of copyright with my clients?
Often clients believe that they own copyright in anything they pay to be created, whereas this is not always the case. To avoid disputes about ownership of copyright, it is a good idea to have a written agreement which clearly states who will own copyright in any material your client pays you to create and, if you own the copyright, what your client is entitled to do with that material.'*

Discussion ensued on copyright, that generally the producer of the work owns the copyright unless the person commissioning the work specifically states in the contract otherwise. Steve Anderson enquired about Council's copyright clause on artists' agreement commissioned for public artwork. Leon Tripp will check the contracts.

PAAC members requested that the recent version of the ASTC Arts and Cultural Policy and Plan be circulated, with the intention of finalising and endorsing the document.

ACTION:

- A. Leon Tripp to check artists' contracts and report to the next PAAC meeting.
- B. Leon Tripp to distribute to members the ASTC Arts and Cultural Policy and Plan.

RESOLVED

That it be a recommendation to Council:

That Council adopts the proposed ASTC Arts and Cultural Policy and Plan.
