

**POLICY TITLE: PROCUREMENT OF GOODS AND SERVICES
QUOTATIONS AND TENDERS**

Policy No. 219

POLICY PURPOSE

To ensure that benefits from public tendering and quotations are consistent with strengthening the local community.

Other policy purposes include:

- To be transparent.
- To ensure compliance with statutory requirements.
- To apply Council policy procedures.
- To ensure consistency and fairness to tenderers.
- To support local business

POLICY STATEMENT

The Council recognises that tender contracts and quotations are used to obtain works and services of significant value. Council will demonstrate accountable management of public funds, fairness and good ethics in dealings with tenderers with subsequent benefits to the community.

Refer to attached document "Procurement PSD" that incorporates procedures and delegations that support this policy.
